RR Ride Ready

SACRAMENTO COUNTY OFFICE OF EDUCATION

6 Tips for Safer E-Bike & E-Scooter Riding

1

Check the labels.

Age requirements and speed capabilities matter.

2

Helmet on. Buckle up.

Wear a properly fitted helmet, ideally certified for e-bike/e-scooter use.

3

Slow down & follow the rules.

Obey speed limits, stop signs and traffic signals.

4

Watch for pedestrians.

Yield to people walking and walk your ride on sidewalks.

5

Eyes up. Phone away.

Stay focused and watch for cars, driveways and intersections.

6

Charge safely.

Use the manufacturer-approved charger. Never leave it charging unattended.

Ride smart. Ride legal. Ride safe.
